Principal's Message

Dear Students,

It gives me great pleasure to present this edition of our school magazine, a wonderful reflection of the creativity, enthusiasm, and achievements of our students. Every page is a celebration of your ideas, talents, and experiences, reminding us that learning extends far beyond the classroom.

The theme of this edition encourages us to reflect on an important aspect of our daily lives—finding the right balance between technology and physical activity. In today's digital age, technology has become an essential part of education and communication. It helps us learn, discover, and stay connected. However, when screen time begins to replace outdoor play, exercise, and face-to-face interactions, it can affect our physical health, concentration, and overall well-being.

As students, you are at a stage where healthy habits shape your future. Choosing to spend less time on screens and more time being physically active can make a remarkable difference in your lives. Whether it is playing a sport, cycling, dancing, swimming, practicing yoga, or simply enjoying a walk in the fresh air, every form of movement strengthens your body, refreshes your mind, and boosts your confidence. Physical activities also teach valuable life lessons such as teamwork, discipline, resilience, leadership, and the importance of perseverance.

At our school, we believe that true education is about nurturing both the mind and the body. Academic excellence is important, but so is maintaining a healthy lifestyle, developing meaningful friendships, and creating joyful memories through sports, games, and other co-curricular activities. A balanced routine allows you to perform better, think more clearly, and approach every challenge with energy and enthusiasm.

As you read this magazine, I encourage you to reflect on your own daily habits and make small yet meaningful choices. Set aside time to explore the world beyond your screens, engage in activities that bring you happiness, and cherish moments spent with family and friends. These experiences will not only enrich your childhood but also prepare you to become healthy, confident, and responsible individuals.

I congratulate all the students and teachers who have contributed to this magazine with their creativity and dedication. May this edition inspire each one of you to embrace a balanced lifestyle, celebrate your talents, and continue striving for excellence in every aspect of life.

Wishing you happy reading, active living, and a bright future ahead!

**With warm regards,
Principal**

Bird Making Activity

A fun-filled Bird Making Activity was conducted for students of Grades 1 to 4, where young learners created beautiful birds using colorful paper. The activity encouraged creativity, fine motor skills, and imaginative thinking while introducing students to the fascinating world of birds. With great enthusiasm, students folded, cut, and decorated paper to craft vibrant bird models. Their unique creations showcased artistic talent, patience, and attention to detail. The classroom buzzed with excitement as children proudly displayed their colorful masterpieces. The activity not only enhanced creativity and hand-eye coordination but also made learning enjoyable and engaging. It was a delightful experience that allowed students to express themselves through art and craft.

Fathers Day

Tiny hands, big love! Our little stars created special Father's Day surprises straight from their hearts. Happy Father's Day!

Earth Day Celebration

Earth Day was celebrated in our school with great enthusiasm to create awareness among students about the importance of protecting our environment. The celebration aimed to encourage students to understand their responsibility towards nature and inspire them to adopt eco-friendly habits in their daily lives. The programme highlighted the importance of saving trees, conserving water, reducing pollution, and keeping our surroundings clean and green. Students actively participated in various activities and shared valuable messages on protecting Mother Earth for a better future.

The celebration included:

- Speech on the importance of Earth Day
- Thought-provoking quotes on nature and environment
- A skit portraying the harmful effects of pollution and the need to protect our planet

Some inspiring quotes shared during the programme were:

"The Earth is what we all have in common."

"Save Earth today for a better tomorrow."

"Nature is a gift—protect it, respect it."

The event concluded with a message encouraging everyone to work together towards a cleaner, greener, and healthier planet

Field Visit

Little Explorers on a Green Adventure!

File Decoration Activity

Decoration Activity was conducted for students of to 8 to encourage creativity, presentation skills, and a of ownership towards their academic work.

Students enthusiastically decorated their files using vibrant colors, innovative designs, motivational quotes, and artistic illustrations. The activity provided a wonderful platform for learners to showcase their imagination and artistic talents while emphasizing the importance of maintaining neat and organized study materials. The beautifully decorated files reflected the students' creativity, dedication, and attention to detail.

The activity was thoroughly enjoyed by all participants and added a touch of color and enthusiasm to the learning environment.

Mother's Day

BBEMS kids showcased their creativity this Mother's Day by making beautiful cards and handouts filled with love, gratitude, and heartfelt messages for their mothers. Their thoughtful efforts truly reflected the special bond they share with their moms.

Nursery Visit

Exploring the world with curious minds and happy hearts.

Orange Day

Our Pre-Primary students celebrated Orange Day with great enthusiasm and excitement. Dressed in vibrant shades of orange, the little learners participated in various fun-filled activities that helped them identify and appreciate the color orange in their surroundings.

The classrooms were beautifully decorated with orange-themed displays, creating a cheerful and energetic atmosphere. The celebration brought smiles, joy, and confidence to our tiny tots, making learning colorful and memorable.

Learning through fun, creativity, and colors!

POCSO Awareness Training

Empowering minds, ensuring safety!

A POCSO Awareness Training Session was conducted for our teachers and students to educate them about child safety, personal boundaries, and their rights. Together, we are creating a safe, supportive, and secure learning environment for every child.

Star Bazaar Visit

Educational Field Trip to Star Bazaar
Learning goes beyond the classroom! Our students from Classes 1 to 4 had an exciting and informative visit to Star Bazaar. They explored different sections of the store, learned about products, billing, customer service, and the importance of organized shopping. The trip was a wonderful blend of learning, observation, and fun, helping our young learners connect classroom concepts with real-life experiences.

Yoga Day

Yoga Day Celebration at School

Our students enthusiastically participated in Yoga Day activities, embracing the spirit of health, harmony, and mindfulness. Through various yoga asanas and breathing exercises, they learned the importance of maintaining a healthy body and a peaceful mind.

Yoga for Healthy Ageing

Let's make yoga a part of our daily lives for a healthier and happier future!
